

## PowerGuard Specialty Insurance

PowerGuard Specialty Insurance Services is a back-stop third party insurance, which is based on Jinko Solar standard workmanship and performance (power output) warranty.

- Insurance Program fully insures Jinko Solar's comprehensive standard modules warranty, including material and serial defects and 3rd party manufacturing
- Immediate worldwide Coverage (NO Waiting Periods)
- A.M. Best rated A XII or better investment grade insurance underwriters
- Non-Cancellable, even in the event of Jinko Solar bankruptcy / insolvency
- Allows Third-Party policy rights (satisfies investors/bankers)

PowerGuard Specialty Insurance Services is underwritten by three investment grade insurance carriers:

- ✓ Hannover RE (European-based): AM Best's Rating of A (Excellent), Financial Size Category of XV (\$2 Billion or greater) [www.hannover-re.com](http://www.hannover-re.com)
- ✓ STARR SURPLUS LINES INSURANCE COMPANY (US-based): AM Best's Rating of A (Excellent), Financial Size Category of XV (\$2 Billion or greater) [www.starrcompanies.com](http://www.starrcompanies.com)
- ✓ RSUI INDEMNITY COMPANY (US-based): AM Best's Rating of A (Excellent), Financial Size Category of XIII (\$1.25 Billion to \$1.5 Billion) [www.rsui.com](http://www.rsui.com)
