

The New Quality Benchmark

- Industry leading 30 year performance guarantee
- Extended lifetime through use of glass on both the front and backside of the module
- Embedding of cells between glass offers optimum protection against mechanical stress and environmental conditions
- Same weight and dimensions as the Sunmodule Plus solar module
- Robust aluminium frame for easy installation
- Junction box permanently and reliably fixed to the backside of the modules
- Model: 250/255/260Wp

Linear performance guarantee

- Linear performance guarantee for SolarWorld Sunmodule Protect
- Linear performance guarantee for SolarWorld Sunmodule Plus
- Competitor's tiered performance guarantee

30-YEAR PERFORMANCE GUARANTEE FOR SUNMODULE PROTECT
Yearly linear decline of only 0.35%
Warranted power output*:
90% after 21 years
86.85% after 30 years

* In accordance with the applicable SolarWorld Limited Warranty at purchase.
